Speaker: Mr. Lokesh Udbale, Principal, Maata Manikeshwari Independent P.U. College, Bidar.

SUMMARY:

A program on “**Employability Skill Development**” was conducted on 05-11-2019 in lecture hall no 02. Dr. Rutika introduced the speaker and gave details of the program organized. Employability depends on one’s knowledge, skills and attitude and how to use those assests and how presentable one can be. Communication skills are one of the most important part of employability skills, and these skills are the ability to explain what one can mean in a clear and concise way. Entrance examination for students who wish to study postgraduate dental course (MDS), needs a lot of hard work and proper guidance. Our institution provides career counseling which would ultimately lead them towards right guidance for more scope in dentistry and proper decision making in their future endeavor. Coaching classes are regularly conducted for interns by efficient staff of our institution.

SUMMARY:

A program on “**Personality & Professional Skills Development**” was conducted on 06-11-2019 in lecture hall no 01. Dr. Lubna Nazneen introduced the speaker and gave details of the program organized. The speaker addressed the students and gave insights about how to improve personality skills as a professional. Personality development includes individual values which include enthusiasm, creativity, humility and personal fulfillment. Overall health of students is vital for pleasant college experience and also to excel in academics. Personality being a doctor is the most noticed thing while interacting with patients. Professional development is learning to earn or maintain professional credentials such as academic degree, attending conferences and learning opportunities in dental practice. Our college has assigned mentor for each student and mentor mentee meetings are conducted regularly to bring out their personal and professional difficulties and resolve them.

Speaker: Mr. Ramesh H Patil, Assc.Professor, Dept. of Electronics, Karnataka College, Bidar.

SUMMARY:

A program on “**Stress Management & Problem Solving Skills Development**” was conducted on 08-11-2019 in lecture hall no 02. Dr. Rutika introduced the speaker and gave details of the program organized. The speaker addressed the students and gave insights about the management of stress in professional career. Stress management includes preventing stress by practicing self-care and relaxation; also managing one’s response to stressful situations when they occur. Problem solving is considered to be the process of finding solutions to difficult issues. It is of extreme importance in the academic setting because they are an inalienable part of one’s studies, effective work and life. Sir explained about how to take space from demanding careers and to develop problem solving skills. He also explained about the basic keys to stress management, which are keeping your thoughts stable and being calm and efficient. The main purpose of the program was to motivate students in handling stress and providing an explicit understanding of the problem-solving skill. This will facilitate the students to perform personal assessment effectively. The students were motivated to approach their skilled mentors & learn from them, how to overcome a problem.

PERSONALITY & PROFESSIONAL SKILL DEVELOPMENT PROGRAM

ACTIVITY REPORT

Date: 17-12-2020

Venue: Auditorium

Speaker: Dr. Dhanaraj Patil, Principal, Smt. L.K. B.Ed College, Bidar.

SUMMARY:

A program on “**Personality & Professional Skills Development**” was conducted on 12-11-2020 in lecture hall no 01. Dr. Rutika introduced the speaker and gave details of the program organized. The speaker addressed the students and gave insights about how to improve personality skills as a professional. Personality development includes individual values which include enthusiasm, creativity, humility and personal fulfillment. Overall health of students is vital for pleasant college experience and also to excel in academics. Personality being a doctor is the most noticed thing while interacting with patients. Professional development is learning to earn or maintain professional credentials such as academic degree, attending conferences and learning opportunities in dental practice. Our college has assigned mentor for each student and mentor mentee meetings are conducted regularly to bring out their personal and professional difficulties and resolve them. It is very important for one to maintain and to develop the personality in such manner.

PERSONALITY & PROFESSIONAL SKILL DEVELOPMENT PROGRAM

ACTIVITY REPORT

Date: 30-10-2021

Venue: Auditorium

Speaker: Dr. Dhanaraj Patil, Principal, Smt. L.K. B.Ed College, Bidar.

SUMMARY:

A program on “**Personality & Professional Skills Development**” was conducted on 01-11-2021 in lecture hall no 02. Dr. Amarnath introduced the speaker and gave details of the program organized. The speaker addressed the students and gave insights about how to improve personality skills as a professional. Personality development includes individual values which include enthusiasm, creativity, humility and personal fulfillment. Overall health of students is vital for pleasant college experience and also to excel in academics. Personality being a doctor is the most noticed thing while interacting with patients. Professional development is learning to earn or maintain professional credentials such as academic degree, attending conferences and learning opportunities in dental practice. Our college has assigned mentor for each student and mentor mentee meetings are conducted regularly to bring out their personal and professional difficulties and resolve them. It is very important for one to maintain and to develop the personality in such manner.

YOGA & WELLNESS PROGRAM

ACTIVITY REPORT

Date: 21-06-2017

Venue: Auditorium

SUMMARY:

A workshop on “YOGA AWARENESS” was conducted on the occasion of International Yoga Day on 21-06-2017 to spread awareness about yoga and physical and mental fitness. The session was lead by Prof. (Dr). Deepak Bhorgonde, Principal & HOD, Department of Prosthodontics. Yoga is an ancient practice that builds strength and awareness and brings together the mind and body. Yoga is a set of skills for all of us as we go out and about in the world facing our challenges, at work, at home, in our relationships and when we are alone with our worries and fears. Yoga enhances both mental and physical health and is an effective treatment for depression. Slow movements and deep breathing increase blood flow and warm up muscles. Practicing yoga helps improve your heart health and reduce several risk factors for various coronary heart diseases. It is also important to ignite a never ending passion for fitness among students and teaching staff as well as in non-teaching staff.
