Title: "GENDER SENSITIZATION"

DATE: 07th & 08th March 2018

The aim of the course is to increase the understanding of the concept of gender among students and to generate awareness about the gender related issues in college and work environment.

COURSE DETAILS:

LEARNERS: Students from all the batches

TIME ALLOTTED: 18 Hours

COURSE OBJECTIVES:

- To sensitize the students on gender issues
- To understand the consequences of different behaviour for women and men
- To enable students to understand gender discrimination based on stereotyping of male & female qualities
- To enable students to understand the role gender plays and to acquire the knowledge & skills necessary for advancing gender equality in their daily lives & work

COURSE OUTCOME: At the end of the course,

- Students will have developed a better understanding of important issues related to gender in institutes and work places
- Students will be sensitized to basic dimensions of the biological, sociological, psychological and legal aspects of gender
- Students will understand how gender discrimination works in society and how to encounter it
- Students and professionals will be better equipped to work and live together as equals
- Students will develop a sense of appreciation of women in all walks of life

Speakers:

Dr. Ashwini Biradar, Reader, Dept. Of Community Dentistry

Dr. Nandini Biradar, Reader, Dept. Of Endodontics

Dr. Lubna Nazneen, Senior lecturer, Dept. Of Oral & Maxillofacial Pathology
