## *Approaching the future with a goal to empower our students for humanity*

*S. B. Patil institute for dental sciences and research has been set up to promote professional education of high standards. Our institution offers degree and postgraduate degree to develop excellent oral health care professionals, with the help of dedicated faculty members, resources and various other stakeholders.*

*The enthusiastic faculty members have brought out the best possible strategic plan for 10 years to achieve the goals we have set.*

*We are confident to implement this strategic plan as a team with total spirit.*

*The broad goals of this strategic plan is an affirmation of SBPDCH's commitment to excellence in education and empowerment of our students for humanity.*
