Firstly I welcome you all to S. B. Patil Institute for Dental Sciences and Research, a premier institution of India. As the chairman of Anti Ragging committee of this institution, I would like to say few words and request you to remember it throughout your tenure in this institution.

“Not all the Injuries Heal by itself”, some leave a permanent scar that stays lifelong like ragging and its consequences. It initiates a vicious cycle that never ends. Hence the best way to eradicate the menace of ragging is not to plant the seed that may turn into poisonous ivy. We live in a world of smart phone, smart watch etc., so as a student in the professional field the smartest thing one should endorse is restraining oneself and others not to get involved into even a smallest incidence that somehow hurts others both physically and even emotionally. You must not forget that as per the directives of Honorable Supreme court of India **ZERO TOLERANCE TO RAGGING** is fully implemented in this institute.

Every student should be careful enough so that memories they will gather during their tenure, will forever brings smiles and happiness to them not nightmares.

Join Hands with the administration to make this **A RaggingFree Campus** as we have been since inception. Wish you all a bright future.

# *Introduction*

S B Patil Institute for Dental Sciences and Research, Bidar, is the first private dental college in Karnataka, established in the year 1991 and it is affiliated to Rajiv Gandhi University of Health Sciences. It provides high quality education to its students so that they become the best in their field in near future.

Our college is keenly aware of the right of students to pursue their studies in a tension-free atmosphere and we are serious about ensuring this. One of the ways in which this is sought to be done is by eradicating ragging from the institution.

Ragging, an act where a vulnerable or weak junior is victimized by a senior is perceived by the college to be psychologically scarring for both perpetrator and victim. The College takes a very serious view of ragging in any form and is committed to creating a ragging free environment.

In order to make available to its students an environment that is conducive to study, and free of fear and intimidation, the College has decided to implement in full the anti-ragging regulations of the DCI.

Since it is important that incoming students acquire familiarity with their rights, understand that they do not have to submit to any form of oppression by a senior in the hostels, departments, library, office and canteen or in any other area of the College, and recognize that their priority in the institution is the pursuit of their studies. Our College, in keeping with the suggestions made by the DCI is making available a booklet of DCI Regulation (2009) on curbing the menace of ragging In Higher Educational Institutions, along with phone numbers of members of the anti-ragging committee and squad and the wardens, and other relevant information for the new student.
